

Baltimore City Department of Human Resources

Elliott L. Wheelan, Director of Human Resources

Martin O' Malley, Mayor

EXAMINATION FOR: OPERATIONS ENGINEER

SALARY: \$46,200 – \$56,300

GRADE: 115

CLOSING DATE: May 2, 2003 is the last day to file an application.

POSITION: An Operations Engineer provides the engineering review and support necessary for the operation of a wastewater treatment plant and for the renovation and construction of plant facilities. Employees are subject to callback in emergencies.

The eligible list may be used to hire persons as vacancies arise.

MINIMUM QUALIFICATIONS: On or before the date of filing the application, each candidate must:

Have a bachelor's degree in engineering, chemistry, microbiology or a closely related field from an accredited college or university;

AND

Have three years of experience in waste water, chemical or environmental engineering work;

OR

Have an equivalent combination of relevant education and experience in waste water, chemical or environmental engineering work.

NOTE: Some employees in this class are required to obtain a valid Permanent State of Maryland Wastewater Class A and Class 5 Operator's Certification, issued by the Board of Waterworks and Waste Systems Operators within six months of hire. Certification must be maintained throughout employment.

SELECTION PROCESS: All candidates indicating the minimum qualifications on their applications will be placed on the eligible list without further examination. The training and experience of each candidate will be evaluated for appropriateness and quantity. It is essential, therefore, that you give complete and accurate information on your application. Vagueness or omission may prevent you from being considered for this position. Qualified candidates will not be listed in rank order.

NOTE: Those eligibles who are under final consideration for appointment will be required to authorize the release of criminal conviction information from the Maryland State Police.
